

MOLA is coming to your area

From April 2017 MOLA's new Basingstoke office will provide an enhanced service to our clients in Buckinghamshire, Berkshire, Hampshire, Oxfordshire, Wiltshire, Surrey, West Sussex and Isle of Wight.

MOLA is one of the UK's largest archaeology and built heritage practices with over 300 staff and over 40 years' experience of working in the housing, commercial and infrastructure sectors.

What we offer:

- Local knowledge. We have locally based Project Managers and staff with over 30 years' experience
- Innovative techniques. We invest in new technologies and use non-intrusive survey
- Intelligent strategies to minimise cost, time and risk
